LETTERS FROM TWO STATES

CHAPLIN

There has been an unusual amount of sickness and colds among the townspeople of late. All miss a good resident physician and hope some doctor will locate here soon as a skilled physician would secure a large practice in this and surrounding towns.

Improving Property.
William E. Kett of Waterbury, is making repairs on the place he purchased west of the church. Ralph L. Church and Andrew L. Bennett are the carpenters.

Charles Jacob of Bedlam has carpenters from Willimantic at work building a new barn to replace one recently consumed by fire.
Mrs. Nancy E. Lanphear, who has spent the winter in Willimantic with her daughter, Mrs. Trowbridge, has returned to her home at South Chaplin.
Willie McQuade of Ashford, with his gasoline engine is sawing wood for many of the people in town.
Rutherford Upton and family have moved to Jewett City, where Mr. Upton is employed.

NORTH STERLING

A number have been on the streams the past week fishing for trout. On account of high water they had no success.
George and Frank Pierce are making improvements to their homes by adding new verandas.

A flock of 29 quail has passed through the winter in good shape and is seen daily on George C. Spooner's place.
A number of local people are working at the steam sawmill of E. A. Hall.

Coughs and Consumption.

Coughs and colds, when neglected, always lead to serious trouble of the lungs. The wisest thing to do when you have a cold that troubles you is to get a bottle of Dr. King's New Discovery. You will get relief from the first dose, and finally the cough will disappear. O. H. Brown of Muscadine, Ala., writes: "My wife was down in bed with an obstinate cough, and I honestly believe had it not been for Dr. King's New Discovery she would not be living today." Known for forty-three years as the best remedy for coughs and colds. Price 50c and \$1. Recommended by Lee & Osgood Co.

Pains in the Stomach.

If you continually complain of pains in the stomach, your liver or your kidneys are out of order. Neglect may lead to dropsy, kidney trouble, diabetes or Bright's disease. Thousands recommend Electric Bitters as the very best stomach and kidney medicine made. H. T. Aiston of Raleigh, N. C., who suffered with pain in the stomach and back, writes: "My kidneys were deranged and my liver did not work right. I suffered much, but Electric Bitters was recommended and I improved from the first dose. I now feel like a new man." It will improve you, too. Only 50c and \$1. Recommended by Lee & Osgood Co.

WOMAN COULD NOT WALK

She Was So Ill—Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Pentwater, Mich.—"A year ago I was very weak and the doctor said I had a serious displacement. I had backache and bearing down pains so bad that I could not sit in a chair or walk across the floor and I was in severe pain all the time. I felt discouraged as I had taken everything I could think of and was no better."
I began taking Lydia E. Pinkham's Vegetable Compound and now I am strong and healthy."—Mrs. ALICE DARLING, R.F.D. No. 2, Box 77, Pentwater, Mich.

Read What Another Woman says:

Peoria, Ill.—"I had such backaches that I could hardly stand on my feet. I would feel like crying out lots of times, and had such a heavy feeling in my right side. I had such terrible dull headaches every day and they would make me feel so drowsy and sleep all the time, yet I could not sleep at night."
"After I had taken Lydia E. Pinkham's Vegetable Compound a week I began to improve. My backache was less and that heavy feeling in my side went away. I continued to take the Compound and am cured."
"You may publish this if you wish."—Miss CLARA L. GAUWITZ, R.R. No. 4, Box 62, Peoria, Ill.

Such letters prove the value of Lydia E. Pinkham's Vegetable Compound for woman's ills. Why don't you try it?
